Dear
NO ITEM TO INSERT
:

In the Large Systems User Requirements Section (Section III) of the Large Systems binder, Exhibit III-C-9 contains errors concerning the percentage of system interruptions reported by NAS users caused by hardware and software problems. Enclosed is a corrected version of the exhibit to replace page III-C-11 and III-C-12.

We apologize for any inconvenience or confusion that this error may have caused.

Sincerely,

Rick Brusuelas
Manager, Customer Service Program
